

The background is a solid blue color. On the right side, there are two large, overlapping, curved shapes. The top shape is a lighter blue, and the bottom shape is a darker blue. The bottom shape has a subtle pattern of small, light blue dots. The Tawqizi logo is positioned on the left side of the image.

Digital Signing Solutions

Solution

Tawqi3i is a digital signature solution designed to meet the specific needs of businesses and individuals in the MENA region, providing secure and legally recognized “Qualified Digital Signatures”.

Secure

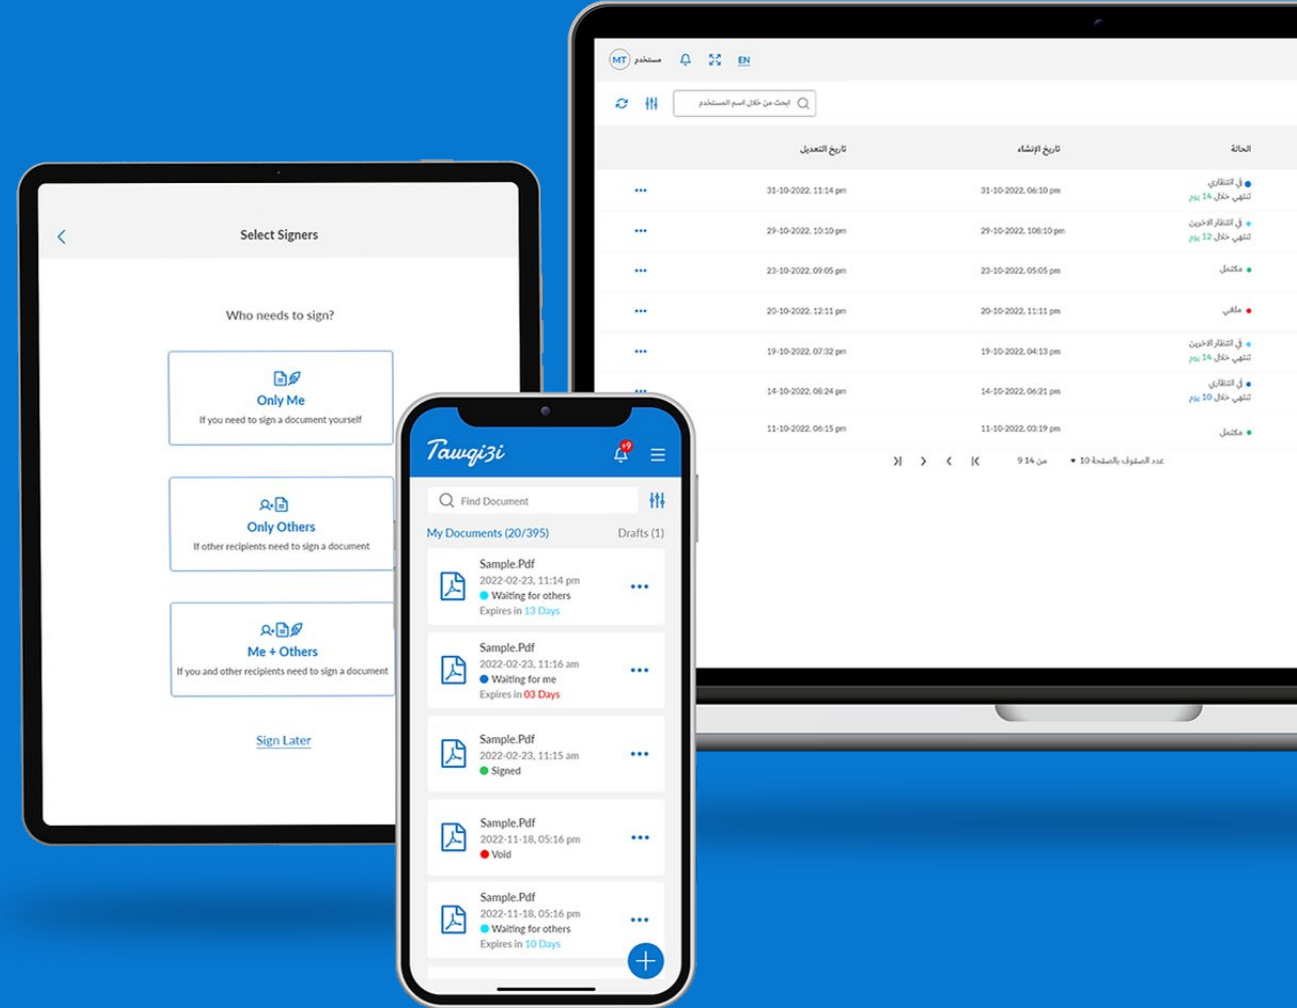

Compliant with local laws

Affordable

24/7 local support

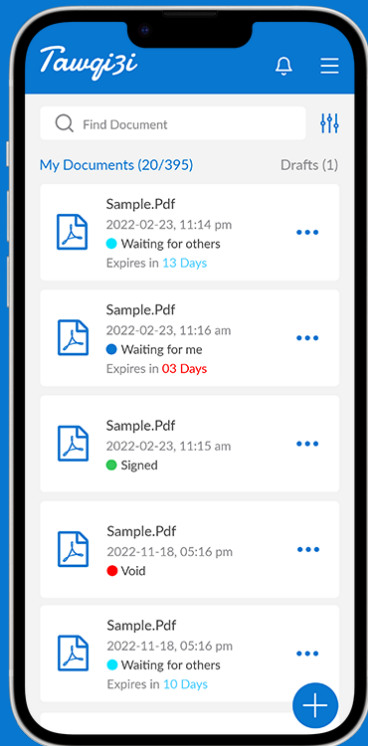

Qualified Digital Signatures

Documents are signed using a citizen's unique digital signature certificate, issued by local Certificate Authorities such as SANAD in Jordan, guaranteeing authenticity and compliance with legal standards in the local markets we serve, such as compliance with Jordan's "Electronic Transactions Law of 2015".

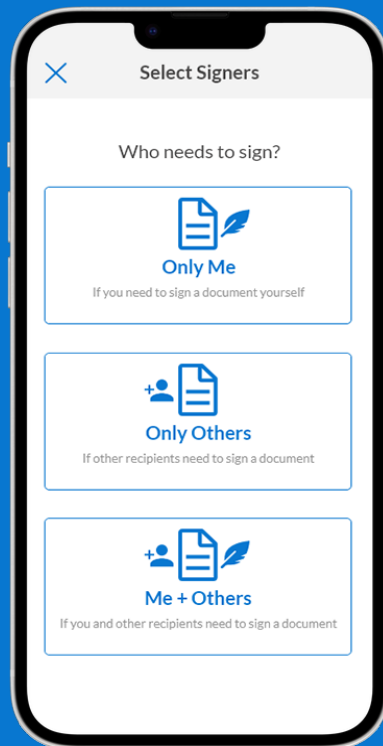

How it Works

Signature Types

Qualified Digital Signatures

Legally binding, compliant with local regulations, and verified by trusted Certificate Authorities (e.g., SANAD in Jordan, Absher in Saudi, UAE Pass in UAE).

Advanced Electronic Signature

The most common and simple form of signing. This is a basic, legally accepted signature used for non-sensitive documents and everyday transactions.
