

And whoever restrains
the soul from desires...

مواظبة

ومن نهى النفس عن الهوى...

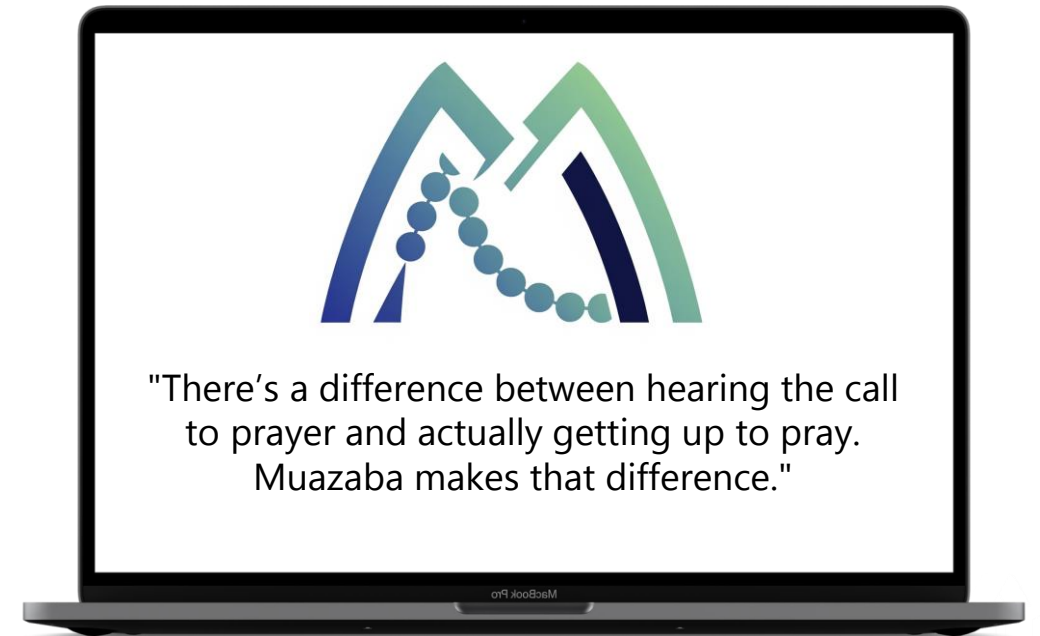

Background to the problem

Many Muslims face a challenge in performing their acts of worship on time due to addiction to the phone, social media, and video games, which leads to negligence, laziness, and failure to perform some acts of worship.

Service Offered

An application that works to keep distractions away from the user by blocking the screen and all applications, except the basic at the time that the user selects, so that he can only open it if he accomplishes the specified worship.
